

Name: _____

The Immortal Life of Henrietta Lacks
Research First Steps

In the box, write the topic you are thinking about writing your research paper on. Then, on the T-chart below brainstorm all the information you already know about this topic (your knowledge, examples you remember from the book, etc.) and the questions you still need to answer about this topic.

What I already know

What I still need to know

What I already know	What I still need to know
